At Yoli, our mission is to transform lives, and it means the world to us. Everything we do is designed to empower you to take control of your health so you can look and feel your best every single day.

That's why each Yoli product is created to give you the nutrients you need to optimize your health. From the whey protein in our shakes to the superfruit blends in our drinks, you can rest easy knowing that you're giving your body essential nutrients from the highest-quality sources.

Of course, while all Yoli products are great individually, they're even better when they work together. Our products are designed to work synergistically with a focus on weight management, pH balance, immune support, total nutrition, energy, and sports performance. No matter what your health goals are, Yoli products will work together to help you reach them.

As you go through this catalog, think about your personal health goals and keep an eye out for the products that will help you reach them. Start getting excited—your journey to optimal health starts now!

## I PURE

Did you know that your body has more bacteria than it has cells? While many people think of bacteria as a bad thing, there are a lot of beneficial bacteria. They're called probiotics, and they're a key part of your health.

Probiotics exist naturally in your body, but you can supplement your probiotic levels with Pure. This unique blend of probiotics and fiber supports gastrointestinal health by promoting a healthy blend of bacteria in your digestive tract. Powered by GanedenBC30™, the probiotic *Bacillus coagulans*, and a unique blend of fiber, enzymes, and nutrients called Alkasure, Pure is the perfect way to supplement your probiotic intake as you work toward optimal health.\*

# I YES

A healthy, nutrient-dense diet is a great way to work toward optimal health, and when it comes to protein and other essential nutrients, quality is key. That's why we created the Yoli Essential Shake (YES)! It's designed to help you increase your protein intake and provide essential nutrients as you transform your life. With twelve grams of high-quality protein, YES will support healthy weight loss as part of the Transformation Kit and help you build and maintain your lean muscle mass.\*

YES is made with our own special blend of whey protein called PuraWhey™, which is minimally-processed and sourced from grass-fed cows that are not given hormones or antibiotics. For an added nutrient boost, YES also features a proprietary blend of fruits and vegetables called LeanImmune™. And most importantly, it's delicious!
